OFFICE OF THE SECRETARY OF STATE

May 27, 1992

TO: All County Clerks/Registrar of Voters (92154)

Pursuant to Section 3523 of the Elections Code, I hereby certify that on May 26, 1992, the certificates received from the County Clerks or Registrars of Voters by the Secretary of State established that the Initiative Constitutional Amendment and Statute, **TAXATION OF FOOD PRODUCTS**. has been signed by the requisite number of qualified electors needed to declare the petition sufficient. The **TAXATION OF FOOD PRODUCTS. INITIATIVE CONSTITUTIONAL AMENDMENT AND STATUTE.** is, therefore, qualified for the November 3, 1992 General Election.

TAXATION OF FOOD PRODUCTS. INITIATIVE CONSTITUTIONAL AMENDMENT AND STATUTE. Amends Constitution to prohibit state and local governments from imposing sales or use taxes on food products which are exempt from such taxation under existing statutes or this initiative. Adds statute exempting candy, bottled water, and snack foods from sales and use taxes. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local governments: The exemption from sales and use taxes of candy, bottled water, and snack foods would reduce sales and use tax revenues in fiscal year 1992-93 by approximately \$223 million (assuming the state's temporary 0.5% sales tax is discontinued on January 1, 1993). Of this amount the state would lose approximately \$150 million and local governments \$73 million. In each subsequent year the revenue loss would total approximately \$446 million, \$300 million to the state and \$146 million to local governments.

IN WITNESS WHEREOF, I hereunto
set my hand and affix the Great
Seal of the State of California this
27th day of May, 1992.

THIRD INITIATIVE MAKES NOVEMBER BALLOT REPORTS EU

SACRAMENTO -- Secretary of State March Fong Eu announced today (May 27) that she has certified an initiative measure seeking the repeal of the tax on food products for the Nov. 3 general election ballot, the third of eight measures submitted for verification to qualify.

"Taxation of Food Products" is an initiative constitutional amendment and statute that requires 615,958 signatures of registered California voters to qualify for the ballot. The random sample verification procedure conducted by the state's 58 counties indicates that 695,626 of the 986,660 signatures submitted are deemed valid.

If adopted, the measure would amend the constitution to prohibit new sales or use taxes on food products that are exempt from such taxation under existing statutes and add a statute exempting candy, bottled water and snack foods from sales and use taxes.

The measure joins four legislative measures and two initiatives already qualified for the November ballot -- AB 973, Ch. 108/89, a transportation bond act; SCA 27, Res. Ch. 6/92, relating to toll roads; SCA 33, Res. Ch. 7/92, relating to the office of the legislative analyst; SCA 34, Res. Ch 8/92, relating to the auditor general; "Terminal Illness," an initiative statute; and "Public Employees' Retirement Systems," an initiative constitutional amendment.

Five other initiatives have been submitted and are currently being verified -- two constitutional amendments relating to welfare and school vouchers and three statutes dealing with term limits, health care and state taxes. The deadline for qualification of initiatives for the November ballot is June 25.
